

Richmond

Sunday June 7th 2015 at 1h00 pm

Host: Léo Gauvin

Restaurant la vieille gare de Richmond

739 Principale Street North, Richmond, Québec J0B 2H0 Tel : 819 826-6655

**Topics : A) Northwood Hearts and Flowers Pattern
B) Imperial Freefold Vase**

Hearts and Flowers pattern is found only in the bowl (ruffled and crimped), plate and fruit bowl shapes. All are found in many colors and finishes. We will have the opportunity to see numerous colors and the richness of the iridescence produced by Northwood.

The Freefold vase often has very original and different opening and great colors and iridescence.

Your participation is important. The more specimen there will be, the more we can appreciate them and discuss about them.

Remember your latest finds, discoveries and pieces.

Special feature:

The room is offered to us for free. We understand that some of us will leave at the end of the meeting. However, we expect that many could stay for supper in Richmond before returning home. Another way to thank the restaurant would be to brunch there before the meeting (Reservations recommended 819-826-6655)...

Directions:

Richmond, is 40 km south of Drummondville on Route 55.
