**Our hosts: Denise and Normand Desrosiers**

**Topic of the day: Both are paired  
(The plate and the bowl of the same pattern)**

We are looking for the plate and bowl of the same pattern. If you have a plate or bowl that you would like to introduce and you miss a shape, send me an email (or phone) and I will make a call to all to find the counterparty you are looking for.

**Hoping for a beautiful Sunday!**

**Come and enjoy a delicious brunch with service starting at 10:15.**

**The installation of our precious objects will be done after having feasted.**

**The meeting will begin at 12.45 pm and will not exceed 17.00.**

We are counting on your presence to end this year with joy by having the opportunity to acquire valuable pieces for you and for the people you care about. **Take the opportunity to invite family and friends for brunch and maybe, one end of the meeting.** It would be fun to be a beautiful big gang! ...

***Do not forget your finds to share.***

**Direction:**

**Between Sorel and Saint-Ours on Route 133 (along Route du Richelieu)**
