Our hosts: Denise and Normand Desrosiers

Topic of the day: Good Luck (2)

To celebrate this end of the year and the start of the year 2023, we have chosen a theme in 2 variations,

1. Some of your pieces have definitely been Good Luck as the saying goes. We want you to bring one or two to learn about their history.
2. The second part is the Good Luck pattern (bowl and plate). A few of your finest copies would be appreciated.

Hoping for a beautiful Sunday!

Come and enjoy a delicious brunch, the service of which will begin at 10:15 a.m.

The installation of our precious objects will be done after having feasted.

The meeting will start at 12:45 p.m. and will not exceed 5 p.m.

We are counting on your presence to end this year with joy by having the opportunity to acquire valuable pieces for you and for the people you care about. **Take the opportunity to invite family and friends for brunch and maybe, one end of the meeting.** It would be fun to be a beautiful big gang! ...

Do not forget your finds to share.

An identification sticker under your parts (to make beautiful photos) is your responsibility.
